DIRECTOR'S NOTES

A Note From The Director

The Lightning Thief: The Percy Jackson Musical is based on Rick Riordan's 2005 fantasy novel about the lives of demigods, children of the Greek gods. They are half mortal, half godly. It follows teenage Percy Jackson who has been struggling through life up to this point, trying to find where he belongs. He feels like a misfit and a disappointment, like he can never do anything right. Percy's journey brings him friendships that he has always longed for and a new self confidence. He learns that everyone has issues, but that it's the choices we make that matter.

Our cast is a youth cast, but this is not a youth production. These young actors are putting on a full-scale, adult production after only 4 weeks of rehearsing! I am so proud of everyone involved and so thankful for all of the hard work they have poured into the past few weeks.

It has truly been an honor to work with this cast and crew. Very special shout-outs go to Julie Domingo, Flo Buchanan, Josie Rapolas, Amy Mark, Desiree Capote, Ava Duran, Taliah Pernell, Maria Coniglio, Gabriel McKenzie, and Anthony Elrod. Every day for the past 4 weeks, they have been devoted to putting this amazing show together!

Thank you so much for coming to our show and I hope you love it as much as I do!
